ABOUT THE COMPETITION

MediateGuru aims at promoting ADR mechanisms and nurture a strong ADR culture around the globe. In pursuance of our goal, After the grand success of the 1st Virtual International Mediation Competition 2021 and from request from participants and universities from diverse jurisdictions, MediateGuru is pleased to organise the 1st International Arbitration Moot 2021.

In furtherance of MediateGuru's initial aim to promote ADR practices, This competition will focus on providing a practical exposure to ADR enthusiast law students on Arbitration.

WHY SHOULD YOU PARTICIPATE IN ARBITRATION COMPETITION

Arbitration often is less costly than court litigation, primarily due to the compressed schedule for the completion of discovery and trial. The judge is assigned by the court without input from the parties. Thus, arbitration affords the parties the ability to select the decider, whereas court litigation does not.

Arbitration is growing at faster pace in present times and the generation of today must be well equipped with practical exposure of Arbitration and must have understanding of how it works.
